Wood	Camino	King & Livingston	Norton

3:20 – 3:30 p.m. Conference wrap-up – CBTS 102

OCCJE trustee meeting immediately following

Ohio Council of Criminal Justice Education (OCCJE) Overview

The mission of OCCJE is to promote education and research in the administration of criminal justice and to facilitate communication and cooperation with practitioners on matters of mutual interest concerning education in criminal justice. OCCJE is a nonprofit organization that is over 40 years old consisting mainly of colleges and universities in and around Ohio. It is open to any individual or agency/institution interested in criminal justice education. Overall, OCCJE brings together criminal justice students, educators, and practitioners to enhance professional criminal justice education and its application. Specifically, OCCJE endeavors include:

- An annual fall career fair for students;
- An annual spring research conference on various criminal justice topics where we provide an opportunity to share scholarly work with those interested in criminal justice from the Ohio area;
- A Student Scholar program with the dual purpose of enhancing criminal justice education and recognizing worthy student efforts;
- An annual awards ceremony (usually in conjunction with the research conference) that highlights the work of criminal justice students, educators, and practitioners;
- A network for all members to discuss issues and disseminate information related to criminal justice education; and
- An online journal for scholarly presentation of knowledge relevant to criminal justice.

For details on any of the above activities regarding OCCJE, visit our website at www.occje.org for more information. Your interest in, and support of OCCJE are appreciated greatly.
